

**Region 4 New Teacher Forum**  
February 13 2019  
Lord Fairfax Community College  
Agenda

5:00 Welcome, networking and supper.

Expand your network! Meet new and experienced educators and find out about VASCD's support network for Virginia's new teachers.

5:30 *It's Not Complicated, It's Culture; Nick Napolitano and Whitney Boring*

School climate and culture are important ingredients in the success and satisfaction of both teachers and students. Learn from the Principal and Assistant Principal of Taylor Middle School about the strategies used there each day to create and promote a safe, positive atmosphere and the steps they took to establish this climate school-wide. You'll also have opportunities to share your own journey, questions and concerns related to creating a positive classroom environment for learning.

6:15 Panel Discussion

Hear from both early career and more experienced teachers about their keys to success. Ask questions, share concerns, get ideas you can take back to school with you!

7:00 Adjourn
